## **Algebra 2**

**Mrs. Johnson**

**natalie\_johnson@ipsd.org**

**Phone: 630-375-5900 x4571**

### **Materials:**

You must bring your materials to class daily: book (if issued), notebook, pencil and *GRAPHING* calculator (TI-83, TI-84 or TI-84 Plus). I will be randomly checking to confirm that you have the appropriate materials. When you do not have your materials, you may lose points on the assignment for the day.

### **Grade Computation:**

Your grade will be based on daily/group work (30% of your grade), quizzes and projects (30% of your grade), and tests (40% of your grade). Your final percentage is based on the MVHS grading scale (refer to your handbook).

### **Semester Grades:**

*Semester 1:* 80%

*Semester 2:* 80%

*Semester Exam:* 20%

*Semester Exam:* 20%

### **Category Weightings**

*Daily Work/Projects/Group work:* 30%

*Quizzes:* 30%

*Tests:* 40%

### **Tests:**

A test, averaging 100 points, will be given at the end of each chapter.

### **Quizzes/Projects: *Quizzes/tests must be done in pencil.***

A quiz can be given at any time during a chapter... **SO ALWAYS BE PREPARED!**

Quizzes/projects will range in point value 5 - 50 points each.

### **Daily Work/Group Work:**

Daily work must be done in your notebook for each problem attempted, and your work should be shown – not just the answer(s). Your homework will be worth 5 points for ***quality*** work...less for less effort. Fieldtrips are not excused absences from work that is due; see me prior to a fieldtrip for the assignment due in order to avoid deductions in points for the day. You are expected to take planned quizzes or tests prior to taking fieldtrips or receive a zero for that quiz or test.

**\*\*Your group will be given points for working with each other appropriately.\*\***

### **Tardies and Discipline:**

Refer to the school-wide tardy & discipline policies in the student handbook.

**Cheating:** Any form of cheating ***will not be tolerated.*** Please refer to the student handbook regarding the MVHS honesty policy.

Note: If the form is signed and returned by the student and their parent within the first 3 days of school, the student will receive extra credit.
